FORT LAUDERDALE, FLORIDA, USA, January 20, 2017 /EINPresswire.com/ -- Fort Lauderdale-based private equity firm IBS Investment Bank a division of Institutional Banking Services, N.A. CORP (IBS, N.A.) today announced it has provided over \$430 Million in new financings to American businesses and real estate investors throughout 2016 and is poised for success in 2017.

According to reports provided by the firm, more than one third of the annual transacted amount derived from investment real estate loan offerings. After launching its \$225MM SBIR IV Fund in Spring of 2014, IBS has emerged as proven leader in Small Balance Investment Real Estate financing space. In April 2016, the firm set aside \$85MM for a campaign to invest in the Florida commercial real estate. The program supports Florida asset owners and real estate agents by providing asset-level loan approvals on their listed assets. The approvals issued by IBS, N.A. have narrowed the average real estate sale cycle by up to 3 weeks.

In addition to its real estate offerings, the former IHOP lender remained true to its corporate finance roots by providing nearly \$300MM in financings to small and medium American businesses. IBS, N.A. utilizes a proprietary algorithm to underwrite a company's true cash position based on the assessment of financials, industry benchmarks and other pertinent economic factors. The firm's approval rate has neared 70% with loan defaults occurring less than 5 times the industry average. "Due to our recent accomplishments we have received an overwhelming demand from our European and Asian institutional investors, having attracted another \$475MM of fresh capital to deploy in the market for 2017. The funds will be comprised predominately of lines and participations from large international family offices and professional investment managers," reported IBS, N.A. Chief Investment Officer, Jason Jackson.
