

# TraceGains to Host Webinars on FSMA, Allergen Control & FSSC 22000

DENVER, COLORADO, USA, January 23, 2017 /EINPresswire.com/ -- TraceGains, the leading Food Safety and Quality Assurance (FSQA) software solution for food and consumer packaged goods (CPG) companies, today announced the schedule for its upcoming educational webinars. The webinars focus on hot topics in food safety and quality assurance such as the Food Safety and Modernization Act ([FSMA](#)), [allergen](#) control, and updates to the FSSC 22000 scheme.

We select only the best and the brightest thought leaders in the industry as the guest speakers for our webinars.”

*Dana Johnson Downing,  
TraceGains' Director of  
Industry & Policy*

“We keep setting registration and attendance records for our webinars because TraceGains partners with the top subject matter experts in the industry,” said TraceGains' Director of Industry & Policy. “We select only the best and the brightest thought leaders in the industry as the guest speakers for our webinars. There is never a shortage of topics to discuss and we always get excellent questions from the audience.”

TraceGains' FSMA Club webinar series continues on January 27 with regulatory attorney and university professor Marc Sanchez, Esq. as the guest speaker who will explore some of the changes Congress may be consider to whittle away at FSMA. On February 1, the topic shifts to allergens when food safety consultant Elise Forward will discuss how she coaches clients to develop an allergen control management strategy. Next, Dr. Jacqueline Southee will cover the Version 4 updates and changes to the FSSC 22000 scheme on February 3.

## TraceGains' Upcoming Webinars:

Jan. 27 – FSMA Club: The Future of FSMA Under the New Congress, 10:00 a.m. MDT

Feb. 1 – How to Develop a World Class Allergen Management Strategy, 10:00 a.m. MDT

Feb. 3 – Insider Tips on Complying with FSSC 22000 Version 4, 10:00 a.m. MDT

Registration for TraceGains' webinars is available free of charge at [www.tracegains.com/events](http://www.tracegains.com/events).

## About TraceGains

TraceGains' cloud-based SAAS solution provides food and CPG companies with an integrated quality, supplier, compliance, and regulatory document management system that eases compliance with FSMA, GFSI, and HACCP. By automating, innovating, and streamlining Food Safety and Quality Assurance, TraceGains' customers are 365 Audit Ready™ and the system typically pays for itself in only four to six months.

TraceGains is the winner of the 2016 Stratus Award for Cloud Collaboration. The company is also among the Food Logistics Top 100 software and technology providers and was named a Top 20 Information Technology Firm by ColoradoBIZ magazine.
