

Nigeria Alternative Energy Expo 2017 Call for Paper

The Advisory Board of the Nigeria Alternative Energy Expo (NAEE 2017) invites Energy experts to present a paper at the 7th NAEE

ABUJA , ABUJA, NIGERIA , January 21, 2017 /EINPresswire.com/ -- The Advisory Board of the [Nigeria Alternative Energy Expo](#) (NAEE 2017) invites [Energy](#) experts to present a paper at the 7th NAEE in Abuja, from October 18 to 20, 2017. The 7th Edition of the Nigeria Alternative Energy Expo (NAEE 2017) aims to provide an international forum to facilitate discussion and knowledge exchange of findings of current and future challenges and opportunities in all aspects of renewable and sustainable energy.

Governor Ibikunle Amosun Opening of NAEE

This year event theme is “Harnessing tomorrow’s Energy Today: A Unified Approach “». The development of renewable energy will be driven by the mutual exchange between future market requirements and technical innovation. In that respect, the NAEE 2017 offers an excellent opportunity for the whole value chain, from equipment and material suppliers up to application driven players and from academic research institutions up to downside industry, to share and discuss leading-edge renewable energy technologies.

“

This year theme is Harnessing tomorrow’s Energy Today: A Unified Approach. The development of renewable energy will be driven by the mutual exchange between future market requirements & innovation.”

Douglas Duncan

Since its beginning in 2011, international attendees representing over 40 countries from all continents have participated in NAEE, internationally renowned keynote speakers have presented latest achievements in the transition to renewable energy.

The scope of [NAEE2017](#) covers a broad range of hot topics like renewable energy technologies, energy efficiency, green energy, climate change, sustainable energy systems and smart grid.

This 7th edition will be organized into 5 PLENARY SESSIONS covering all topics of interest of the whole value chain. We invite you to express interest by clicking [here](#) or send us email: loc@nigeriaalternativeenergyexpo.org

Deadline to submit your abstract: Friday, February 24 2017.

TOPICS:

Solar Energy
Wind Energy
Sea Power
Hydroelectric Power
Thermal and Recycling
Biomass
Command and control systems for RE
Eco-Design
Transportation generation
Distribution Power System
Batteries and energy storage
Energy harvesting
Renewable energy for IT equipment
Green technology
Hydrogen energy storage
Energy efficiency
Smart Grid

Share your knowledge and expertise with an international audience of professionals in 2017. We kindly request that you share this call with your colleagues.
