

# Fully Remote Interim Expertise Service Launched by interim.team

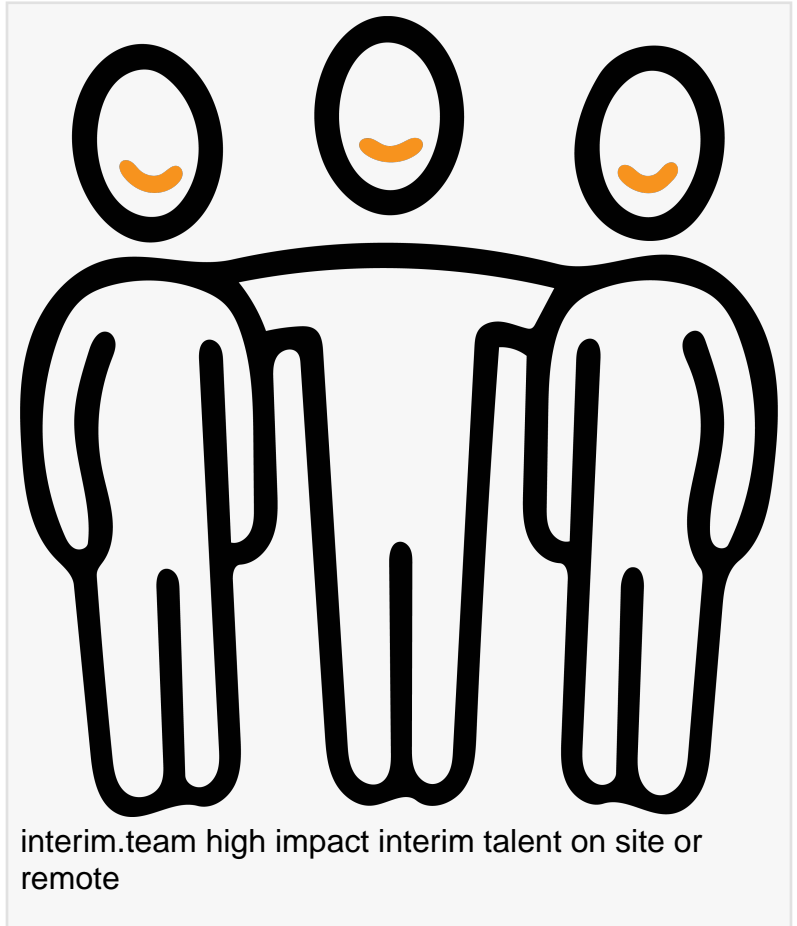

*interim.team have launched a fully remote expertise service building on their massively successful high impact interim service live across Europe.*

LONDON, UNITED KINGDOM, January 24, 2017 /EINPresswire.com/ -- Building on their high impact [interim](#) service [interim.team](#) are now deploying their high impact interim talent totally remotely.

Location is now no longer a barrier to getting the best expertise available - when you want it, where you want it...

As our latest customer put it...

"interim.team have been amazing. They have been really customer focused and have connected us with someone with very deep experience in the areas we need. They have shared the cost savings from remote working with us so they are actually very cost effective as well..." - Loraine Bautista amzLenders New York City USA.

Give interim.team a shout if you need something launched, fixed, changed, [growth hacked](#) or improved.

interim.team think that the more people they help become successful the more successful they become.
