

Crazy New Year's Stocktake Sale- Until We Run Out

Travelsafer are clearing their digital tire gauges at ridiculously low prices to make way for 2017 stock arriving soon.

NEW YORK CITY, USA, January 25, 2017
/EINPresswire.com/ -- The company Travelsafer are clearing the warehouse with huge discounts until stocks run out.

Don't miss this opportunity to grab digital tire pressure gauges for mum, dad, grandma and the kids encouraging safe tire monitoring and maintenance before heading out on to wet, slippery roads.

Brad from Travelsafer explains, "We simply just don't have the room and must make space. All stock is in pristine and brand new condition and backed by our 100% money back guarantee."

The TravelSafer digital tire pressure gauge can be used to quickly check the tire pressure on any vehicle (cars, trucks, motorcycles and bicycles) anytime, anywhere night or day. Since the product includes lithium batteries it can be used directly out of the box.

One happy customer said recently, "You can switch between four measuring ranges at the press of a button and easily use the illuminated nozzle and display screen in poor light. This [tire gauge](#) is compact enough to fit inside your glove box but sturdy enough to depend on it for the long haul."
