

Oralicious Debuts at the Museum of Sex in NYC

Oralicious is getting a party all the other adult guides are jealous of. The official book launch will be held on Wed, 2/8/17, at the Museum of Sex.

NEW YORK,, NY, USA, January 25, 2017 /EINPresswire.com/ -- Oralicious is getting a party all the other sex guides are jealous of. The official book launch will be held on Wednesday, February 8, 2017, at the Museum of Sex and will be restricted to only those who RSVP by February 5, 2017!

Oralicious is the newest book from author Tatiana Carrera. This intimate, down-to-earth guide is for everyone who wants to maintain a loving and successful romantic relationship by upping their oral sex game. After learning how to combine passion, the five senses, an open mind, and confident expression in the bedroom, Tatiana's guide can help even the most errant, or arrogant, of lovers by highlighting the importance of kissing, sensual foreplay, exploration of all the erogenous zones, and an open mind to making the Pleasure Journey exciting, memorable, and passionate.

“

“Everything in life is about sex, except sex. Sex is about power.”

—”

Oscar Wilde

Tatiana has always been fascinated by how one achieves an orgasm, and she learned early on that women are not as lucky as men in this area. Longing to unlock the mystery and shed a bright light on the joys, pleasures and rewards of performing oral sex on your partner, Tatiana became a student of the sexual Pleasure Journey. And the Museum of Sex is the best arena to celebrate the fruits of that determination and desire to learn.

“Everything in life is about sex, except sex. Sex is about power.”

— Oscar Wilde
