

# Barbara Anne Rose of The Space Between the Thorns to be Featured on CUTV News Radio

NEWARK, DELAWARE, USA, February 2, 2017 /EINPresswire.com/ -- We often hesitate to share our thoughts, feelings and emotions with our partners. When we're not fully expressing ourselves with love, compassion, and truth, our relationships can drift away and may even fall apart.

Taking the time to explore our sexuality and sensuality through touch offers a great opportunity to reconnect with ourselves and our partner. Communicating our physical and emotional boundaries establishes harmony. Barbara Anne Rose offers a holistic approach when communicating to our loved ones.

"It's not just the words we use, but the energy within words and our own vibration," Rose states.

Rose is an author, licensed massage therapist, life coach, spiritual healer and founder of The Space Between the Thorns, where she offers intimacy counseling workshops for men, women and couples who want to heal or enhance their relationships and create more fulfilling sexual, sensual and spiritual lives. She does this by teaching them on how to better communicate in all aspects of their life.

"The most important thing I do is assist others by broadening their knowledge on how to communicate more effectively," says Rose, "What we're saying to ourselves on the inside and how we present ourselves to the world."

“

We can receive pleasure on a deeper level by focusing our attention on the you within you.”

Everyone needs to feel loved, cared for and respected. Slowing down and taking our time to gratefully respect each other can help us all tap into any negative associated feelings we're holding, process them and release the energy.

Barbara's role is to create a sacred, safe space for her clientele. In her couples workshop, Divine Touch Massage, she demonstrates and guides her clients on how to give and receive this work. Her Divine Touch massage helps couples gain a better understanding of how sexuality, spirituality, and sensuality are all connected.

"What woman (or their partner) wouldn't want to enjoy deeper, more intense orgasms?" asks Rose. "We can receive pleasure on a deeper level by focusing our attention on the you within you."

As for the future, Barbara says she plans to bring her unique effective communication skills teaching to the entertainment industry. Barbara's ideas should definitely peak Hollywood's interest.

CUTV News Radio will feature Barbara Anne Rose in an interview with Doug Llewelyn on February 6th and February 13th at 1pm EST.
