

Lynn Litow Flayhart of Litow Consulting to be Featured on CUTV News Radio

BONITA SPRINGS, FLORIDA, USA, February 3, 2017 /EINPresswire.com/ -- Lynn Litow Flayhart is an executive coach with more than 30 years of experience helping people and organizations achieve maximum effectiveness. Today, Lynn is the founder of Litow Consulting, where she specializes in organizational development and executive coaching.

“I’m looking to work with people who are committed to learn more about themselves and use that increased level of self-awareness to become more effective,” says Lynn.

Lynn says her clients, many of them high level executives, want to communicate their vision to the people that work for them in such a way that they can take ownership over their contribution. Lynn helps her clients gain deeper self-awareness and the ability to use that insight to understand people, understand dynamics of organizations and modify their approach to more effectively address whatever their concerns are.

“It’s all about relationships,” says Lynn. “With an increased understanding of self and organizational dynamics and culture, my clients are better able to develop more effective business and personal relationships.”
