

AstoriaLeads.com for Insurance Agents and Carriers

Exclusive and Shared Insurance Leads

DUBLIN, CALIFORNIA, UNITED STATES, January 31, 2017 /EINPresswire.com/ -- Astoria Company announces major upgrade to its insurance agent lead platform, AstoriaLeads.com

California, January 2017 - Adding to their vast portfolio of performance marketing technology, AstoriaLeads.com offers insurance agents and carriers in Auto, Home, Life, & Health insurance the opportunity to acquire new customers with real-time exclusive & shared leads.

Scott Thompson, CEO stated; “we wanted to create a complete self-service platform that would take down barriers that once blocked Agent’s ability to get the most productivity out of their advertising dollars by putting the Agent in the driver seat. Agents can now receive exclusive or shared leads that target their desired geographical areas with no blocked zip codes or limits of territories or states.”

This new innovative platform provides insurance Agents the ability to set their daily/ and or hourly buying caps to the rate that their resources can manage.

Exclusive and Shared
Insurance Leads”

Scott Thompson

All leads delivered in real-time, complete with the full consumer information collected at source, allowing Agents to save time and get more results for their investment. Leads can be delivered directly in the Agent’s CRM, text message and email.

Astoria Company owns, operates and manages a multitude of

internet properties to ensure the widest reach to generate organic leads. All of their Exclusive Leads are guaranteed to sell to only one buyer! And Shared Leads are guaranteed to be sold to no more than four.

By going to <http://www.AstoriaLeads.com>, Insurance agents and carriers can sign up online and start receiving leads right away.

Insurance Leads

Astoria owns a proprietary lead exchange platform for many B2C verticals which process over 50 million web and mobile leads per month as well as 200+ pay per call lead generation campaigns. In addition, Astoria powers websites for Domain Investors who care about maximizing profits and creating a successful online presence, going way beyond traditionally parked domains. Coming soon will be the launch of DomainParking.com which is intended to disrupt and redefine the very definition of domain parking. Astoria Company was recently recognized as one of The Top 50 Most Admired Companies of the Year by the Silicon Review.
