

Algoworks Announces Major Expansion in California, US

Algoworks reaches Silicon Valley; sets up new office in Sunnyvale to expand presence in US market.

SUNNYVALE, CALIFORNIA, USA, January 30, 2017 /EINPresswire.com/ -- Algoworks, global IT service and [technology consulting company](#) announces its expansion plans in the Company's west zone by opening office in Sunnyvale, California. The initiative was taken by the Board of Directors at the company's headquarter citing reasons as 'to expand presence in the US market'.

"For Algoworks maintaining the growing global presence means improved client service while touching new horizons of development so as to unfold the path of new success stories to come," said Pratyush Kumar, Co-founder, and President, Algoworks. Talking about the expansion, he continued, "This move is a part of the big expansion plan in recognition of the size and opportunity of the growing market as well as contributing towards the digital future we all are staring at. Our focus is to get the sharpest technological minds and find our own corner here in Silicon Valley. I see this as a great enabler to get the best minds from around the world coming from different backgrounds adding to the diversity and respect for all cultures, which has always been of value to the United States of America."

Mr. Kumar revealed that more than ninety percent of the company's customers were based in the USA. He added, "Our new office location with enhanced operational efficiencies will help us grow and evolve by providing state-of-the-art technology to encourage our dive into the technology this decade while also aiding us in better connectivity and communication with large customer-base here."

Founded in 2006, Algoworks operates from Noida Office, which is also the headquarter of the company. It provides software development services such as creating innovative mobile and web apps, empowering customers with Business Intelligence, [customizing Salesforce CRM](#) and providing for ECM solutions. Mr. Kumar was announced as the President of the West Zone of the company.
