

PADGETT BUSINESS SERVICES® Wraps Up Strong 2016

Continues Commitment to Business Growth Program for Professionals in 2017

ATHENS, GEORGIA, UNITED STATES, January 30, 2017 /EINPresswire.com/ -- [PADGETT BUSINESS SERVICES®](#), a leading small business tax planning and preparation company, capped off a favorable 2016 with record growth across the company's corporate practices.

“2016 was a great year for us here at Padgett as we experienced our strongest revenue growth to date,” said Roger Harris, president of PADGETT BUSINESS SERVICES. “Not only does this growth showcase Padgett as leaders in the industry, but validates our top-of-the-line services that are essential for the small businesses of America.”

“

We enter 2017 expertly positioned to offer tax professionals the extraordinary opportunity to be powered by Padgett.”

PADGETT BUSINESS
SERVICES®*

Padgett's record-breaking growth came during a time when the company rolled out two brand-new programs. The first, embracing a new-age of tax planning and preparation, is a cloud-based, state-of-the-art technology software produced by the industry's leading developer, distributed to all 200-plus nationwide Padgett offices.

In addition, Padgett in 2016 also introduced its new [Business Growth Program for Professionals](#), an exclusive opportunity that enables qualified tax professionals operating their own businesses to take advantage of a fully supported network that lets them retain and grow business, leverage state-of-the-

art client marketing and acquisition strategies, maintain and improve client service, and remain up-to-date on industry compliance issues.

“There is no other program on the market that offers the kind of freedom and support of the Business Growth Program, and we dedicated 2016 to perfecting that,” Harris said. “We enter 2017 expertly positioned to offer tax professionals the extraordinary opportunity to be powered by Padgett.”

New PADGETT BUSINESS SERVICES® offices receive professional support from a firm that has unmatched credibility in the tax industry, top-of-the-line technologies, client acquisition strategies and more. The Business Growth Program for Professionals is currently open to qualified tax professionals operating businesses in the United States, with a particular emphasis on those based in the Northeast and Texas.
