Kindness is the new cool. In the face of
difficult times in our country it is
wonderful that so many people are
finding a new value in kindness.

Willing Hearts, an app about the
kindness of the sister-nurses of the Holy
Cross, was just awarded a gold medal
from The Illumination Book Awards for
Exemplary Christian Books by the
prestigious Jenkins Group. Willing Hearts
— Sisters of the Holy Cross — Civil War
Nurses is now available for mobile
devices on the [iTunes](#) and Amazon
appstores.

Mother M. Augusta (Anderson)
remembered her first day in a military
hospital, “We were not prepared as
nurses, but our hearts made our hands willing and our sympathy ready, and so with God’s help, we
did much towards alleviating the dreadful suffering.”

This app tells of the Sisters of the Holy Cross who served as nurses during the American Civil War. Theirs is a remarkable story of faith, kindness, courage and finding joy amidst an angry, divisive time in our country. A recent [Amazon review](#) stated, "It is hard to explain the wonder of this app, you have to experience to believe... I love it."

Willing Hearts is an immersive experience that includes period music, photographs, voice-overs by current Sisters of the Holy Cross and historic documents all woven through a poignant, creative non-fiction story. This is history presented in a unique fashion! www.willingheartsapp.com
