

Syndacast Opens New Office in Delhi, India

Syndacast announces the opening of new offices in Gurgaon, Delhi NCR.

DEHLI, INDIA, February 2, 2017 /EINPresswire.com/ -- [Syndacast](#), one of South East Asia's leading data and technology-driven online media agencies with offices in Bangkok and Singapore, announces the opening of new offices in Gurgaon, Delhi NCR.

The new office at DLF Cyber City marks the next stage in Syndacast's strategic geographical expansion into new Asia Pacific markets, and will offer a full range of performance-driven online marketing services, especially in the Travel & Tourism, Real Estate Development, and Finance, Insurance & Banking sectors.

Syndacast has a wealth of experience in India, having driven revenue through online channels to 36 hotels in India under the AccorHotels group for many years, as well as identifying and capturing international medical leads for Apollo Hospitals throughout India.

The Country Representative for Syndacast is Ms. Deepti Jain, who has been part of the Syndacast organisation in Bangkok for several years. "Syndacast's vision is to offer India a reliable, accountable and technology-driven alternative partner for online marketing, with proven methods developed through years of servicing global brands in Asia Pacific," says Deepti Jain.

Oliver Wilke, Head of Business Development, has this to add: "Syndacast has been doing business in India for years; the opening of the Gurgaon office is only the next natural progression in establishing a physical presence in the Indian subcontinent to foster closer working relationships with existing clients, and forge new local partnerships with new clients."

About Syndacast

Syndacast is a data, technology and results driven online media agency serving global brands in Asia Pacific. We are headquartered in Bangkok, with offices in Singapore and Delhi.

Since it was founded in 2008, Syndacast has gained considerable recognition in delivering performance beyond clients' expectations, especially within the Travel & Tourism industry. The company's client base and audience lists now include intenders in the Banking, Insurance and Real Estate development sectors.

Syndacast is a Google Premium Partner agency and continuously partners with audience data providers.
