

# Affordable Dental Solutions Opens New Office in Easton

*The Easton location of Affordable Dental Solutions marks the fourth location of the growing dental provider.*

EASTON, PENNSYLVANIA, UNITED STATES, February 7, 2017

/EINPresswire.com/ -- With its new office in Easton, PA, Affordable Dental Solutions (ADS) is quickly becoming one of the fastest growing dental providers in Eastern Pennsylvania. In only several years, the practice has expanded from its flagship location in Reading to include additional offices in Exton, Pottstown, and now Easton.

For Easton residents who may be suffering from the embarrassment caused by missing teeth, help can be found at ADS. Both [affordable dental implants](#) and [affordable dentures](#) are among the tooth replacement options offered in the office. Performed by a team of dedicated professionals using only the latest state-of-the-art technology, ADS has proven that quality dental care can still be affordable.

Affordable dental implants and dentures are now available in Easton.

“

We negotiate discounts with the nation's top dental manufacturers to ensure a price that is more manageable to patients.”

*Dr. Michelle Bernreuther*

Dental implants in Easton start at only \$2,000, while full dentures cost \$495/arch and partial dentures cost only \$595/arch. With such low prices, ADS remains committed to helping the area's deserving families obtain and afford quality dental care.

“The prices we offer are only a fraction of those that other offices in the area charge,” says Dr. Michelle Bernreuther of ADS. “We negotiate discounts with the nation's top dental manufacturers to ensure a price that is more manageable to

patients.”
