

Exeter Orthodontics Offers Braces for \$3,995 in Reading

Exeter Orthodontics has made affordable braces a reality for residents of Reading and beyond.

READING, PENNSYLVANIA, UNITED STATES, February 21, 2017

/EINPresswire.com/ -- The cost of braces is one that is hard for many families to afford. However, Exeter Orthodontics in Reading offers [affordable braces](#) for one all-inclusive price of \$3,995. There are no hidden fees and payment plans are offered to help make achieving a straighter smile even simpler.

Exeter Orthodontics, which has six other offices throughout Eastern Pennsylvania, has helped thousands of patients obtain straighter smiles. The team of dedicated orthodontists, who have decades worth of experience, are firmly committed to providing quality care using the best materials at the most affordable price.

Exeter Orthodontics in Reading offers affordable braces for one all-inclusive price of \$3,995.

“Unlike other dentists, we focus solely on braces for teens and adults,” says award-winning orthodontist Dr. John Pardini. “This enables us to complete procedures both quickly and efficiently.”

This efficiency, Dr. Pardini explains, translates into saved time and money for patients.

Exeter Orthodontics also offers [Invisalign](#). While there are many differences between braces and Invisalign, differences that the team at Exeter Orthodontics can thoroughly explain to any patient, there are a few similarities: an all-inclusive price of \$3,995 and a promise of a straighter, more beautiful smile.
