

Philadelphia Teens Can Get Affordable Braces from Exeter Orthodontics

Exeter Orthodontics, famous for its affordable braces and Invisalign, has opened an office only an hour outside of Philadelphia.

EXTON, PENNSYLVANIA, UNITED STATES, March 30, 2017 /EINPresswire.com/ -- Reading-based Exeter Orthodontics has opened a new office in Exton, Pennsylvania. Only an hour away from the city, this new location makes it easier for Philadelphia teens and their families to find more affordable orthodontic options.

For only \$3,995, teens can choose between traditional wire [braces](#) or [Invisalign](#). There are no hidden fees to this all-inclusive price. Payment plans fit for every different budget are also available because the team at Exeter Orthodontics believes that no patient should be turned away due to lack of funds.

“

Our goal is for patients to leave here with a new smile they can't wait to show off.”

Dr. Soraya Mills

There are several differences between braces and Invisalign, including their comfort, treatment length, and appearance. However, their low price and their brilliant results are the same. Orthodontists at Exeter Orthodontics in Exton will work closely with patients to help them choose the treatment best for their unique needs.

“No one should feel insecure because of their smile,” explains Dr. Soraya Mills from Exeter Orthodontics. “Our goal is for patients to leave here with a new smile they can't wait to show off.”

With six other locations throughout the state, Exeter Orthodontics already boasts thousands of satisfied patients showing off their brand new smiles.
