

## KAJ Brothers to Film Two Music Videos in Orlando Feb. 4

*The boy band sensation enters new genre and will shoot scenes highlighting masterful harmonies, exciting musicality, fast transitions, tight dance choreography.*

ORLANDO, FLORIDA, UNITED STATES, February 3, 2017 /EINPresswire.com/ -- The KAJ Brothers will be filming a pair of music videos Saturday in Orlando for an upcoming EP. The band previously had success with adult contemporary and R&B tracks, but is showing its versatility on this project with a pop-funk style that will get hearts pumping.

The high-energy dance numbers, "She Wants to Dance" and "Love on the Dance Floor," are original compositions from Kyle, Austin and Johnny, the three members that make up the KAJ Brothers. The three also collaborated on the choreography and have brought in some experienced dancers for the shoot.

"We are excited about our new sound and especially these first two songs," Kyle said. "They tell a story but you don't have to know the lyrics or the meaning to get lost in the rhythm. Once the music starts it won't be long until you are dancing along to the beat."

Filming for the video begins at 8 a.m. Saturday and there is still room for extras who want to appear. Interested dancers should fill out the release form on the band's Facebook page at
