Windmill Games Studio is pleased to announce The Devil-wood: Escape Mystery, an eerie free to play puzzle-solving adventure game has launched on Google Play Store in Jan, 2017.

The game is all about the king dwarf ancient crown, hidden in the dungeons and finding of the missing girl named (Beatrice Olson) beloved of detective named (Linwood). She went for a quest to find out that ancient crown in the Devil-wood Jungle but couldn't come back.

There are black powers there in the jungle because of this crown and there is

a wizard also to prevent those powers and their curse spreading all over the jungle. But he can't finish those black powers forever. The wizard also knows that how to achieve that crown but being a wizard, he can't achieve the crown by himself. So, Olson went to find out that crown but have missing somewhere in the jungle.

So Now, detective(Linwood) went to this mysterious journey to unfold the mystery behind the missing of Olson. He has to face different challenges like, adventures, puzzles, riddles and sometime hidden objects. And If we say, the game has the quality of all casual genres in one place, then it wouldn't be wrong. The user of any casual category may enjoy this game fully.

The player takes the role of that detective. He or she will have to find all the clues that lead to the missing Olson as well as to the crown. Reaching to the Olson house is the first thing to do.
