

# Global Renewable Energy Market – Industry Challenges, Key Vendors, Drivers, Trends and Forecast to 2027

*Renewable Energy Market by Type (Solar Energy, Wind Energy, geothermal Energy, Bio Energy), by Application, by end user and by Region - Forecast to 2027*

PUNE, MAHARASHTRA, INDIA, February 8, 2017 /EINPresswire.com/ -- Market Synopsis of

## [Renewable Energy Market](#)

Major key players Calpine Corporation, Enel Green Power, Vestas Wind Power A/S, Pelamis Wave Power, Yingli Solar”

*Market Research Future*

The global outcry for renewable energy sources considering the environmental degradation and depleting renewable energy sources in recent times are some of the primary sources in the renewable energy market. Government regulations in favor of renewable energy sources and increasing demand for energy beckoning the usage of alternate energy sources is expected to drive the demand in the renewable energy market.

## Study Objectives of Renewable Energy Market

- To provide detailed analysis of the market structure along with forecast for the next 10 years of the various segments and sub-segments of the global Renewable Energy market
- To provide insights about factors affecting the market growth
- To Analyze the Renewable Energy market based on various factors- price analysis, supply chain analysis, Porters five force analysis.
- To provide historical and forecast revenue of the market segments and sub-segments with respect to six main geographies and their countries- North America, Europe, Asia-Pacific, South America, Middle East, and Africa
- To provide country level analysis of the market with respect to the current market size and future prospective
- To provide country level analysis of the market for segment by Application, by Type by End User, and by region as well as its sub segments
- To provide strategic profiling of key players in the market, comprehensively analyzing their core competencies, and drawing a competitive landscape for the market

## Key Players

- Calpine Corporation,
- Enel Green Power,
- Vestas Wind Power A/S,
- Beltis Wave Power
- First Solar among others.

## Segments

On basis of energy sources as

- Solar Energy,
- Wind Energy,
- Geothermal Energy,
- Bio Energy,
- Hydropower Energy
- Others.

On the basis of application

- Automotive,
- Construction,
- Transportation
- Chemical & Petrochemical among others.

On the basis of end user

- Residential,
- Commercial
- Industrial.

## Intended Audience

- Renewable energy manufacturers
- Renewable energy Suppliers
- Research and Development (R&D) Companies

## Regional Analysis of Renewable Energy Market:

North America is expected to dominate the Renewable Energy market mainly due to the favorable government regulations. The integration of renewable energy is expected to increase in the North American region providing the market with scope for further growth. Europe and Asia-Pacific are the other major regions for the Renewable Energy market due to boost in the manufacturing sector in these regions.

## Key questions answered in this report

- What will the market size be in 2027 and what will the growth rate be?
- What are the key market trends?
- What is driving this market?

- What are the challenges to market growth?
- Who are the key vendors in this market space?
- What are the market opportunities and threats faced by the key vendors

#### About Market Research Future:

At Market Research Future (MRFR), we enable our customers to unravel the complexity of various industries through our Cooked Research Report (CRR), Half-Cooked Research Reports (HCRR), Raw Research Reports (3R), Continuous-Feed Research (CFR), and Market Research & Consulting Services.

MRFR team have supreme objective to provide the optimum quality market research and intelligence services to our clients. Our market research studies by products, services, technologies, applications, end users, and market players for global, regional, and country level market segments, enable our clients to see more, know more, and do more, which help to answer all their most important questions.
