

# Lineal's Rapid Growth Continues with Appointment of Managed Document Review Specialist Mathieu van Ravenstein

LONDON, UNITED KINGDOM, February 8, 2017 /EINPresswire.com/ -- [Lineal](#) announced today that they have appointed Mathieu van Ravenstein as Director of EMEA Managed Document Review.

Mathieu has over 15 years of experience in large-scale regulatory investigations and cross-border litigation and has been Founder/Owner and Director of several companies in this field.

Having previously worked at EY and Consilio, Mathieu will now be leading the expansion of Lineal's Managed Document Review service, which has become increasingly sought after by their clients. As the volumes of information and documentation that companies are dealing with are increasing, managed review services such as those offered by Lineal are in high demand. Providing seamless, end-to-end processes, Lineal is able to help their clients reduce legal costs, save time and make litigation more efficient.

Mathieu van Ravenstein commented:

"Growing regulatory pressure and the increasing complexity of data privacy regulation mean that more and more clients are benefitting from Managed Document Review. With Lineal's state of the art document review facilities and a global network of reviewers, we can deliver high quality, defensible and cost effective processes to Lineal's clients."

Martin Pollard, Managing Director of Lineal said:

"We are delighted that Mathieu is joining the Lineal team. His wide experience and deep understanding of Document Review Services and the needs of our clients will be a tremendous asset to us as we continue to build on our success and deliver exceptional results to our clients."

## About Lineal

Lineal is one of the world's leading litigation support providers. Its portfolio of services includes eDiscovery, digital forensics, managed document review and business process outsourcing.

Operating at the cutting edge of legal technology and support services, Lineal helps lawyers, in-house counsel, accountants and auditors save time, money and achieve better results. They do this by combining their own in-house legal and technical expertise with market leading technology.

Lineal has grown rapidly since it was founded in 2009. The firm's scale and flexibility allows it to work with a range of clients, from top 100 to boutique law firms.

## Mathieu van Ravenstein's Professional Biography

Mathieu leads Lineal's EMEA Managed Document Review service.

He has over 15 years of experience in large-scale regulatory investigations and cross-border litigation and has been Founder/Owner and Director of several companies in this field. Over his career he has worked with global corporations, law firms and governmental bodies across EMEA.

Mathieu joined Lineal following his role as Director of document review (EMEA) at EY. In addition, his extensive experience in the industry encompasses roles as Director of document review (Europe) at Consilio and Founder/Owner of DLR Legal, a specialist document review and legal translation firm. Mathieu also has significant legal experience, as project manager for several global law firms and as Legal and Policy Advisor to the EU Council of Ministers.

During his career Mathieu has led large teams of lawyers and project managers around the world, and has built up a global network of document review specialists covering a wide range of languages and legal subject matters. Mathieu works with Lineal's clients to advise on complex investigations and disputes and lead our Managed Document Review services.
