WASHINGTON, D.C., USA, February 9, 2017

[/EINPresswire.com/](http://EINPresswire.com/) -- Do you ever feel like you will never meet that special someone? Are you dating a lot, meeting great people, but not ever finding yourself in an exclusive relationship that will lead to marriage?

Despite what many would have you believe, marriage is not old-fashioned. Most people desire companionship and an emotionally supportive partner. Wouldn't it be wonderful if this year was the year you met your future husband or wife?

Amy Schoen is a certified professional life coach and an expert in dating for a long term serious committed relationship. As the creator of the Motivated to Marry® methodology to dating, Amy is dedicated to helping people find lasting love.

"People think it's going to just happen," says Amy. "You need to put in the time, energy and the work. Successful dating requires that you be more mindful in your approach to meet a potential life partner."

After a painful divorce in her mid-thirties, Amy has been married to her true love for fourteen years. She did it by using the life changing dating tools and action steps she now shares with her clients.

Amy takes a personalized approach for each client by using her VIPP formula: values, interests, personality and passion. She says when you know yourself and what you're looking for, you recognize it almost immediately. In most cases these relationships move very quickly toward engagement and marriage within six months to a year.

“I want more people to know about my program because my program works,” says Amy. “It's so empowering to see my clients enjoy the dating process. When you have a plan and

you know what you're truly looking for, it makes dating so much easier.”

Over seventy-five percent of Amy's successful clients have met their partners online through her values based attraction system.

“My clients often tell me that online dating hasn't worked for them in the past,” says Amy. “I say, ‘You just haven't done it my way.’ I give my clients the tools and strategy they need to succeed.”

CUTV News Radio will feature Amy Schoen in an interview with Doug Llewelyn on February 10th at 1pm EST and with Jim Masters on February 17th at 1pm EST.
