

Intuition Specialist Judy Higdon to be Featured on CUTV News Radio

NORFOLK, VIRGINIA, USA, February 14, 2017 /EINPresswire.com/ -- There is an energy that runs through the universe that gives us an open door to walk through. On the other side of that door is Judy Higdon, psychic counselor, licensed hypnotherapist and certified Matrix Energetics Healer. When the universe says jump, Judy Higdon says, "How high?"

Judy offers clarity and understanding about what is happening in your life through psychic readings, hypnotherapy and healing. By listening to your inner guidance system, Judy will be able to show you a better approach to your life situations, helping you realize your true potential and greatest desires.

"I consider this work to be a calling," says Judy. "I was born with that desire to help people. I've always had a strong belief in the divine. I have a deep connection with nature. It speaks to me."

“

People have been given a wake-up call to make changes.”

Judy Higdon

Intuition is real. Everyone has had an experience where they followed their intuition. It warns you and directs you. Unfortunately, most people don't pay attention to these signals.

Judy has been a psychic and intuitive reader since 1984. She will give you direct, honest guidance from your spirit that will help you work through your current situations, giving you perspective to move toward your goals of freedom and prosperity.

"This is a gift so I take it seriously," says Judy. "People have been given a wake-up call to make changes."

Judy says her clients all seem to share a pain that they can't seem to get past like the loss of a parent or even a child. Some have made decisions in their financial world that went awry.

In addition to her work as a psychic reader and hypnotherapist, Judy also offers Matrix Energetic Healing, a total healing system, powered by intention that reverses patterns within the body that contribute to aches, pain and disease. Drawing on her intuition, Judy removes your old reality and replaces it with a new, healed reality.

"I have clients who use me every week," says Judy. "They wouldn't be sitting in front of me if they didn't believe."

When you're seeking guidance, Judy Higdon will help you find clarity.

CUTV News Radio will feature Judy Higdon in an interview with Doug Llewelyn on February 16th at 12pm EST.
