

## VIDEONITCH SELECTED as FINALIST for BOSTINNO's TECH MADNESS

NEEDHAM HEIGHTS, MASSACHUSETTS, UNITED STATES, February 13, 2017 /EINPresswire.com/ -- <u>Videonitch</u>, a progressive company founded by technology leaders and innovators with the vision that video would permeate and pervade learning and talent development has been named a finalist for Bostinno's Tech Madness. Each Spring, Bostinno brings together the local New England innovation community for a healthy competition during Tech Madness. Hundreds of startups and community influencers join for an exciting event as they reveal the top 64 tech companies seeded in the Tech Madness Bracket! The bracket reveal party and company showcase kicks off a month of online, bracket-style competition that allows readers to vote and advance their favorite companies all the way to the championship.

## About Videonitch

Videonitch provides companies the technology, tools and services needed to create on-demand, centralized, secure, video-based learning channels and the tailored digital assets that comprise them through their unique learning platform. In 2014 Videonitch partnered with <u>Cramer</u>, one of the nation's largest creative studios, further enhancing their market-leading software platform and video creation services. Videonitch is headquartered in Needham Heights, MA, just minutes outside of Boston with offices in Cary, NC and Europe. To learn more about Videonitch's software and services, visit <u>www.videonitch.com</u>
