

Pulsar360, Inc. Receives 2017 INTERNET TELEPHONY Product of the Year Award

Pulsar360, Inc. announced today that they received the INTERNET TELEPHONY Product of the Year Award for 2017.

LITTLETON, COLORADO, USA, February 13, 2017 /EINPresswire.com/ -- Pulsar360, Inc. announced today that they received the INTERNET TELEPHONY Product of the Year Award for 2017. These awards recognize the most innovative and highest quality IP communications brought to market in the past year.

“We are extremely honored and excited to be recognized two years in a row by INTERNET TELEPHONY for our PBX Hosting and Premise Based PBX solutions. At Pulsar360, Inc., we are constantly innovating and improving our products to meet the demands of our clients and partners. We take great care to ensure that our customers have the very best products,” stated Bob Harrison, Chief Channel Officer.

“It gives me great pleasure to recognize Pulsar360, Inc., with a Product of the Year Award for 2017. I have always been impressed with their commitment to excellence and innovation,” said Rich Tehrani, CEO, TMC. “In the opinion of our distinguished judges, Pulsar360, Inc.’s PBX Hosting and Premise Based PBX have proven to be among the best IP communications solutions available on the market. I look forward to continued innovation from Pulsar360, Inc.”

About Pulsar360, Inc.

Pulsar360, Inc. is a North American based Telecommunications Provider with roots going back to 2001, and its Executive Team & staff has over 210 years of combined experience. Pulsar360, Inc. offers Hosted Cloud PBX & Premised based systems, SIP Trunks, BCDR & Carrier Services. All of which are aided by Business Continuity Disaster Recovery for both the “dial tone” and telephone systems in case of an outage. Current customers include State of Connecticut and numerous national call centers. For more information, go to <http://Pulsar360.com>.
