

IT Business Management Forum Launches

The IT Business Management Forum (ITBM) has launched to provide information, instruction, networking, and industry news to members.

LOS ANGELES, CALIFORNIA, UNITED STATES, February 13, 2017 /EINPresswire.com/ -- The IT Business Management Forum has recently launched. The IT Business Management Forum is a network of ITBM professionals who want to share their experiences regarding IT Business Management, IT Financial Management, and IT Service Management. The organization includes members from numerous IT vendors.

The ITBM Industry is very dynamic, with estimated \$2 Billion revenues growing at 20% CAGR.

The IT Business Management Forum is a great source of free information on the \$2 Billion IT Management industry.”

ITBM Forum

The IT Business Management Forum is available on [LinkedIn](https://www.linkedin.com/groups/13512209) at <https://www.linkedin.com/groups/13512209>. This [group](https://www.linkedin.com/groups/13512209) provides articles, news, training materials, industry commentary, and networking functionality. This forum is technology agnostic and encourages members throughout the Technology Business Management industry to participate.

The IT Business Management (ITBM) industry seeks to provide transparency and control over the cost and quality of

IT services. ITBM stakeholders provide the business management capabilities necessary to manage the business aspects of today’s emerging hybrid cloud environments, helping to facilitate IT transformation, enabling customers to reduce capital and operating expenses and improve service delivery performance. This forum has been created to help the relevant stakeholders of the ITBM industry get together to discuss and stay updated with the most recent trends of the industry. This is also a place to share best practices regarding professional services implementations, best practices, tools, news, benchmarking, and industry resources. This group caters to IT Managers, CIOs, CTOs, and other ITBM professionals.

Relevant members are encouraged to join the group.
