MELBOURNE, VICTORIA, AUSTRALIA, February 14, 2017 /EINPresswire.com/ -- Bali, tropical island paradise. Regularly voted amongst the very best tourist destinations in the world, the tropical climate, welcoming locals, natural beauty and full range of amenities continue to be irresistible pulls for tourist from around the world. And tourist numbers are booming. The number of visitors increased by 22.5% in 2016 according to official government figures. Just under 5 million people choose Bali as their preferred holiday destination last year.

The massive increase in tourist numbers over recent years has brought with it considerable benefits for visitors. Now, the options for tourists are greater and better than ever before, with an impressive range of [things to do in Bali](#). When Bali first claimed international attention, it was as part of the hippy trail and adventurous surfers seeking the warm uncrowded waves of the Indian Ocean. Facilities were basic – luxury wasn't on the agenda. Fast forward to 2017, and Bali does tropical luxury like no where else on earth. The options for accommodation are seemingly endless, and for many staying in [villas in Bali](#) is an essential part of their Bali holiday experience. With an estimated 4000+ holiday villas on the island however, it can be difficult to know exactly where to start when it comes to choosing yours. Bali Villas and More are an online travel agent specialising in Bali holiday villas. The increase in villas on offer also puts tourists in a strong position. No matter what your personal idea of your dream holiday villa is, it's likely there'll be one to match. With so many on offer, there is often a deal to be done and Bali Villas and More will connect you with the best deals to be had. Holidaying in a villa can provide a very different experience to staying in a hotel. Your own private pool, spacious living areas and the chance to spend quality time together as a family or group of friends are just some of the benefits. Villa accommodation doesn't mean that you're down grading to self catering however. Bali holiday villas will come with staff as well – at the very least you'll have daily maids, who can also

cook simple meals and gardeners and pool staff to ensure your villa is always looking pristine. The more expensive villas will be fully staffed with housekeeping, butlers, a cook and even a private driver and car. It's also very cost effective to employ a chef to provide high quality in villa dining for that special occasion you may be celebrating whilst on holiday.

Of course, increased tourist numbers has the potential to lead to some problems with all those extra people arriving on the island. But with the increasing numbers is coming an increasing awareness of environmental issues and resorts specialising in eco tourism can also be found. Improvements in infrastructure are slowly happening, connecting different parts of the island, and spreading both the opportunities and benefits of tourism further across the island. Bali has also become a foodie's delight with delicious local dishes and fine dining options a plenty. A thriving nightlife scene regularly boasts big name international DJs.

It is of course possible to enjoy the benefits, without being worried by crowds. Bali Villas and More provides accommodation across the island. The south of the island – around Kuta, Legian, Seminyak, Jimbaran and the Bukit Peninsula remain the hotspots for tourism and you'll find [Seminyak villas](#) for every budget. Head along the east coast to the charming and quiet Candidasa, or heading to the north coast and visiting the beautiful Lovina and Pemuteran. If you can be flexible with your travel dates, then the benefits are yours for the taking. Although tourist numbers do still stay fairly constant throughout the year now, there are definite peaks – Christmas and New Year is when the island is busiest and prices are at their highest and July and August are also very popular times. Try visiting outside of these times - May and June can be great options when the weather tends to be good and prices tend to be lower. You'll be able to find some great deals on accommodation, and enjoy all the benefits of Bali's tourism boom.
