eLearning has been growing in popularity over the years. Convenience, accessibility, and affordability are some reasons why eLearning is attracting the masses. Industry leaders like Sue Brett have recognized the potential benefits of eLearning and have directed their efforts to leverage [online learning](#) to deliver affordable, accessible learning that transcends location and income brackets.

Sue Brett, CEO, Learningonline.xyz

“

Absolutely thrilled to receive the 2017 Learning! Champion Award. My take on life has always been if you can't find what you want, create it yourself.”

Sue Brett, C.E.O. of Learningonline.xyz

Under her leadership, Learningonline.xyz has previously been shortlisted for the FEM EMMAS Global Mobility Awards 2016 and GESS Education Awards 2016, and has also won the Language App of the Year 2016 Award at the Shortlist Mobile Apps Award for Langu.ag. The young startup is currently collaborating with Skype to develop a conversational language learning bot.

Sue Brett commented, "Absolutely thrilled to receive the 2017 Learning! Champion Award. My take on life has always been if you can't find what you want, create it yourself. Et voilà, next minute I'm co-founding Learningonline.xyz ed-tech startup with some really talented people. My vision has always been to create the best possible solutions for the learning of languages and culture from around the world, and a massive shout-out to the entire team that made this a possibility."

END

About Sue Brett:

Sue has spent her life working with like-minded education re-inventors. Equally, at home in the classroom, corporate HQ or facilitating innovation breakthrough sessions, she joined Learningonline.xyz in April 2016, to meet the new challenge of steering this start-up to deliver online learning as part of a unique cultural connectivity ecosystem. Combining a sound foundation in exciting pedagogy and academically rigorous curriculums with proven corporate experience, Sue is committed to affordable, globally relevant learning initiatives that connect and create opportunities.
