

Leading Publisher Maysalward optimizes The Official Nitro Nation Racing Game for MENA markets

Maysalward a leading Mobile game Studio & Publisher, in collaboration with Creative Mobile launches the New update for “Nitro Nation” for MENA MARKETS

AMMAN, -- SELECT ONE --, JORDAN, February 15, 2017 /EINPresswire.com/ -- Maysalward, a leading Development Studio and Mobile game publisher, in collaboration with Creative Mobile, today announces the launch of The New updated “Nitro Nation” mobile game for iPhone, iPad, iPod touch and Android based devices. Now for the first time, MENA players can experience the thrill of the global hit racing Game on their mobile devices and interact with their Language.

"The New update for Nitro Nation mobile game allows players to experience the game in the same immersive and enjoyable Online Experience like the international version but with a Local Touch. Nitro Nation is the Quality racing game we want to introduce to our MENA region players" Explains Nour Khrais Founder and CEO of Maysalward.

Since our first Game launch back in 2003 and we are committed to adding Localised Favour with the Arabic Language support to our Mobile Games and today we are extending this commitment and publishing with our Global Partners top branded games Localised for the region “ said Nour Khrais

Nitro Nation Online puts players in the driver's seat of an addictive multiplayer auto racing experience with live real-time online races. Now Players form teams in the Middle East, can compete in weekly events and tournaments, build and customize real brand name cars and trade parts with other players online and of course Win Prizes.

The Update will be available this week on [Google Play](#) for all Android Users and will follow with the iOS release next week.

About Maysalward

Maysalward, a company, founded in November 2003 and based in Jordan, is the first mobile game development company in the Middle East and North Africa (MENA) market. Recognized as the leading mobile game development studio in the region. In 2014 Maysalward expanded its services to include the publishing of regional indie developer games and renowned international IPs.

About Creative Mobile

Creative Mobile is an independent game developer and publisher based in Tallinn, Estonia. Founded in 2010, the company has quickly evolved into a leading game studio, consistently topping Android and iOS game charts. Best known for the Drag Racing series, the company defined a new genre of mobile games and had one of the most downloaded franchises of all time.

The company's vision is to create original, challenging games that combine intense sessions with long-term progress and rich social experience. The focus on free-to-play products and cross-platform gameplay, allows players to enjoy games on any device and at no cost.
