

3rd Annual Energy and Sustainable Solutions

Career Perspectives and Sustainable Campuses at GWU

WASHINGTON, D.C., USA, February 16, 2017 /EINPresswire.com/ -- The Association of Energy Engineers National Capital Chapter ([AEE NCC](#)) and [Leaders in Energy](#) will join forces with the [Environmental and Energy Management Institute](#) at The

This showcase offers organizations the opportunity to reach university facility managers and job seekers a venue for green networking.”

Janine Finnell

George Washington University (GWU) for its 3rd annual Energy & Sustainability Extravaganza. The Extravaganza will be held at the SCIENCE AND ENGINEERING HALL, The George Washington University, 800 22nd St NW, Washington, DC 20052 on Friday, February 24, 2017 from 11:00am to 8:00pm.

The Extravaganza has three major components and opportunities for networking:

-AEE NCC Council on Women in Energy and Environmental Leadership (CWEEL) Luncheon Panel on “Career Perspectives in Sustainable Solutions” (11 am – 1:45 pm).

-Leaders in Energy “Sustainable Solutions for Tomorrow’s Campuses” Showcase (2:30 pm – 5:30 pm)

-Networking Reception (6 – 8 pm) catered by Purple Onion in conjunction with Green Drinks DC and Hosted by GWU

SUSTAINABLE SOLUTIONS FOR TOMORROW’S CAMPUSES

Colleges and Universities are ethically and financially committing to long term plans for campus and system-wide sustainability, energy efficiency measures, renewable energy generation. Green buildings, smart infrastructure, co-generation plants, microgrids, grid flexibility and carbon neutral have become the topics of conversation for administrators, facility managers, and students.

AEE NCC CWEEL Luncheon Panel

11:30 Luncheon

12:30 Panel on: “Career Perspectives in Sustainable Solutions” which will feature the work of successful women professionals along with their career tips for those who wish to enter and/or transition into this field.
