

7th Annual Aegis Graham Bell Award

Aegis Graham Bell Award is the largest innovation award in the field of Telecom, Internet, Media, Edutainment and Social, Mobility, Analytics & Cloud.

NAVI MUMBAI, MAHARASTRA, INDIA, February 16, 2017 /EINPresswire.com/ -- India's largest and the only award in field of [Telecom](#), Social, Mobility, [Analytics](#), [Cloud](#) & Security was held on 09th February at NDMC Convention center in New Delhi. The awards honored the best innovations in the field of Telecom, Social, Mobility, Analytics, Cloud & Security. This award was initiated by Aegis School of Business, Data Science and Telecommunication & Convergence India, supported by COAI (Cellular Operators Association of India) and Telecom Centres of Excellence (TCOE) India, mUniversity as Powered Partner, Hive Communication as Creative Partner and Gleeba as Social Media Partner;

Hon'ble Minister Dr. Jitendra Singh, Minister of State in the Prime Ministers Office; Ministry of Personnel, Public Grievances and Pensions; Department of Atomic Energy and Department of Space and Union Minister of State (Independent Charge) in the Ministry of Development of North Eastern Region graced the occasion he said "How Innovation is the Need of the Hour & Societal Bias towards Traditional Education also reaffirms the India's Hon'ble Prime Minister Shri. Narendra Modi's commitment for Digital India and promoting innovations".

In his welcome address, Mr. Rajan S Matthews, Director General, COAI talked about the importance of promoting home grown tech. Mr. Jayant Saran, (Partner, Deloitte) explained the process the rigorous and transparent methodology and selection criteria used by Deloitte. He spoke about the decision matrix being used to validate awards on various parameters and evaluation, by prominent jury members, based on the presentation given by the participating companies.

Regarding the initiative, Mr. Bhupesh Daheria, Managing Trustee Aegis Knowledge Trust, CEO Aegis School of Business, School of Data Science, School of Telecommunication and Founder Aegis Graham Bell Award, says "Aegis Graham Bell Awards intends to promote innovation and entrepreneurship in the fields of Telecom, Internet, Media & Edutainment, and provides recognition for path-breaking contributions by the awardees.

This initiative is also intended to honor the best brains that can be groomed as leaders and scholars. Having reached the 7th edition of the awards, I have realized that the growth has been exponential as we received 265 nominations from over 140 companies in two jury rounds The 7th Annual Aegis Graham Bell Awards has been a success and I would like to congratulate the winners. As we are stepping to the planning of the 8th Annual Aegis Graham Bell award, we intend to make it larger with higher number of entries from more companies."
