PUNE, MAHARASHTRA, INDIA,
February 17, 2017 /EINPresswire.com/ --
Market Highlights

“ We enable our customers to
unravel the complexity.”

MRFR

There is seen a growing need for attractive and durable packaging due to increased awareness among the consumers and need for product information. This has led to the popularization of Laminated Labels among various Industries. [Laminated Labels Market](#) is driven by its several industrial applications as this Laminated Label ensures that the imprints remain for longer time as well as remain readable. Food & Beverages by application accounted for the highest share of over 30% in global market in 2015. The share is expected to grow over the forecasted period. The reason for the growth is consumer awareness for Authentic Products, High Durability and increasing demand for Branded & Packaged Products. Also, the others factors driving the market are durability and longevity of Laminated Labels under High Friction, Moisture, and different Weather Exposure.
