

Sprayed Concrete Market Estimated to Provide Over USD 9.1 Billion Revenue by 2022

Sprayed Concrete Market by Process (Dry Process and Wet Process), Application (Underground Construction, Specialty Construction) - Forecast to 2022

PUNE, MAHARASHTRA, INDIA,
February 17, 2017 /EINPresswire.com/ --
Synopsis of Sprayed Concrete Market

“We enable our customers to unravel the complexity.”

Market Research Future

Market Forecast:

Key Players in market are
BASF, Atlas Copco, Cemex
S.A.B., Lkab Berg & Betong,
KPM Industries, U.S.
Concrete, GCP Applied
Technologies, Tarmac
Building Products Limited,
Prestige Concrete Products”
Market Research Future

Market Research Future published a Half Cooked Research Report on Sprayed Concrete Market. The Global Sprayed Concrete Market is expected to grow over the CAGR of more than 8% during the period 2016 to 2022.

Market Overview:

Over the past few years, the global market has witnessed a prospective growth due to increasing demand of sprayed concrete in construction areas. This has bring out a higher growth rate of the global sprayed concrete market at the end of forecasted period. As per the market analysis, different factors have driven the market for growing construction

industry, growing application segment, technological advancements, reduction in framework cost, high sustainability, emerging economies and others

Key Player in Market

The key players of sprayed concrete market are:

- BASF
- Atlas Copco
- Cemex S.A.B.
- Lkab Berg & Betong
- KPM Industries
- U.S. Concrete
- GCP Applied Technologies
- Tarmac Building Products Limited
- Prestige Concrete Products
- Sika AG

Scope of the Study

The scope of the study categorizes the sprayed concrete market as process, and application.

- By Process

- o Dry Process
- o Wet Process

- By Application

- o Underground construction
- o Retailing walls
- o Protective coatings
- o Water-retaining structures
- o Specialty construction
- o Strengthening and repair
- o Others
