

Massachusetts Mesothelioma Victims Center Now Urges the Family of a Diagnosed Navy Veteran or Power Plant Worker in Massachusetts To Call Them About Compensation and Lawyers to Help

NEW YORK, NEW YORK, USA, March 1, 2017 /EINPresswire.com/ -- The Massachusetts Mesothelioma Victims Center says, "We are urging the family of a US Navy Veteran, maritime worker or power plant worker who has recently been diagnosed with mesothelioma to call us anytime at 800-714-0303 so we can provide instant access to the nation's top mesothelioma attorneys who typically get the best possible compensation for their clients in Massachusetts-and they will do it for less than most of their competition.

"Many people with mesothelioma in Massachusetts get grossly overcharged by law firms. Instead of charging 33.3% of the gross settlement amount these law firms charge 40% of the settlement plus expenses. Let's-say there is a mesothelioma settlement for a million dollars in Massachusetts. The attorneys we suggest would charge \$333,000 for their fee. No additional fees for court costs or expenses.

"In this million-dollar settlement scenario the law firms charging 40% would get \$400,000 and frequently tens of thousands of dollars in expenses. We want to make certain a person with mesothelioma in Massachusetts receives the best possible financial compensation and we want to make certain the person is represented by the best possible mesothelioma attorneys and if you call us at 800-714-0303 this is exactly what you will get."
