

Building Insulation Material Market Overview, Manufacturing Cost Structure Analysis, Opportunities & Trends 2016-2021

*Building Insulation Material Market Info
by Material used (Stone Wool, Glass Wool,
EPS, XPS, and others) by Application by End-use and Region - Forecast to 2021*

PUNE, MAHARASHTRA, INDIA, February 20, 2017 /EINPresswire.com/ -- Market Highlights

Key Players: Knauf Insulation, Johns Manville Inc., Owens Corning Corporation, Saint-Gobain S.A, GAF, PPG Industries Inc., Kingspan Group Plc, BASF SE, Rockwool International A/S”

Market Research Future

The [global building insulation material market](#) is driven by the increased aesthetic sense of construction and reduced heating & cooling costs. There is an increased usage of building insulation material due to the increased energy saving practices which results in reduced greenhouse emissions.

The increased demand for building insulation material is also driven by the growing application across residential and non-residential construction.

Major Key Players

- Knauf Insulation
- Johns Manville Inc.
- Owens Corning Corporation
- Saint-Gobain S.A
- GAF
- PPG Industries Inc.
- Kingspan Group Plc
- BASF SE
- Rockwool International A/S
- Lloyd Insulations (India) Limited
- GlassRock Insulation Company SAE
- Baroc Group
- Beijing New Building Material Co. Ltd.

Market Segmentation

Segmentation by Material used

- Stone Wool
- Glass Wool
- EPS
- XPS

Segmentation by Application

- Walls
- Roofs
- Floors

Segmentation by End-use

- Commercial
- Residential
- Others

The report for Global building insulation material Market of Market Research Future comprises of extensive primary research along with the detailed analysis of qualitative as well as quantitative aspects by various industry experts, key opinion leaders to gain the deeper insight of the market and industry performance.

Taste the market data and market information presented through more than 50 market data tables and figures spread in 115 numbers of pages of the project report. Avail the in-depth table of content TOC & market synopsis on "[Building Insulation Material Market Research Report - Forecast to 2021](#)"

Study Objectives of Global Building Insulation Material Market

- To provide detailed analysis of the market structure along with forecast for the next 10 years of various segments and sub-segments of the Global Building Insulation Material Market
- To provide insights about factors affecting the market growth
- To Analyze the Global Building Insulation Material Market based on various factors- price analysis, supply chain analysis, porters five force analysis etc.
- To provide historical and forecast revenue of the market segments and sub-segments with respect to four main geographies and their countries- North America, Europe, APAC, and Rest of the World (ROW)
- To provide country level analysis of the market with respect to the current market size and future prospective

- To provide country level analysis of the market for segment by Material used, Application, End-use and by Region.
- To provide strategic profiling of the key players in the market, comprehensively analyzing their core competencies, and drawing a competitive landscape for the market
- To track and analyze competitive developments such as joint ventures, strategic alliances, mergers and acquisitions, new product developments, and research and developments in the Global Building Insulation Material Market

Global building insulation material Market by Region

North America

- US
- Canada
- Mexico

Europe

- Germany
- France
- Italy
- Spain
- UK.
- Rest of Europe

APAC

- China
- India
- Japan
- Australia
- Rest of Asia-Pacific

RoW

- Latin America
- Middle East
- Africa

The report gives the clear picture of current market scenario which includes historical and projected market size in terms of value and volume, technological advancement, macro economical and governing factors in the market. The report provides details information and strategies of the top key players in the industry. The report also gives a broad study of the different market segments and regions.
