

IT Governance partners with IT GRC Asia to deliver cyber security solutions

ELY, CAMBRIDGESHIRE, UNITED KINGDOM, February 22, 2017 /EINPresswire.com/ -- IT Governance, the leading provider of information security expertise and solutions, is delighted to announce its partnership with IT GRC Asia.

Based in Singapore, IT GRC Asia supports businesses and helps them improve their overall cyber security posture through customised GRC (governance, risk management and compliance) advice, consultancy and training courses.

Alan Calder, the founder and executive chairman of IT Governance, said: "We are delighted to be working with our new partners, IT GRC Asia. We look forward to helping equip their clients with the expertise and solutions necessary for certification to information security management standards, upskilling in-house IT teams, and identifying vulnerabilities in systems and networks to prevent cyber threats".

IT Governance's partnership scheme has created a network of resellers and referral partners committed to delivering IT Governance's cyber security solutions and expertise. The partnership will provide IT GRC Asia with access to IT Governance's full portfolio of products and services.

Frank Chin Seek Hai, the chief advisor and founder of IT GRC Asia, said: "With rising business concern over cyber threats and risks, our partnership with IT Governance aims to bridge the gap and bring to Asia the most relevant and cost-effective approach that protects our clients' businesses. Our collaboration with IT Governance, a seasoned industry practitioner, promises to deliver on our commitment to our clients' needs by conferring strengths and resilience through greater risk assurance".

IT Governance's partners benefit from discounted rates on most products, including the [Cyber Essentials packaged solutions](#). These packaged solutions help organisations achieve certification to the scheme through IT Governance's [CyberComply portal](#).

The portal is a unique online service that supports CREST-accredited certification to the Cyber Essentials scheme in a cost- and time-effective manner for organisations of any size.

Businesses that want to achieve certification to Cyber Essentials or Cyber Essentials Plus can take advantage of IT Governance's packaged solutions: Do It Yourself, Get A Little Help and Get A Lot Of Help.

Organisations wishing to become an IT Governance partner or find out more about the partnership programme are encouraged to visit IT Governance's [website](#), email servicecentre@itgovernance.co.uk or call +44 (0) 845 070 1750.
