RAHWAY, NJ, UNITED STATES, February 21, 2017 /EINPresswire.com/ -- Immediate Press Release

MizMacMarketing has retained actor and model Terry J. Quintero-Moore, whose debut into the world on St Patrick's Day, must have guaranteed him the luck of the Irish and a pot of gold. Quintero-Moore tasted his first fifteen minutes of fame when he successfully auditioned at a casting call hosted at the Sugar House Casino in Philadelphia for a role in the soap opera, "The Young and The Restless". His performance piece, a re-enactment of a small monologue must have been quite impressive, because much to his surprise following his audition, he was approached by Alexandria Hoff, a local reporter from CBS Eyewitness News (KYW1060) on Channel 3 in Philadelphia, who had witnessed his performance. Ms. Hoff invited Quintero-Moore to play a small impromptu, unscripted acting role with her, and the ensuing scene that unfolded set him on the path to certain stardom. Moore and Hoff created their own dialogue, unrehearsed on live TV and despite having had no time to practice, Mr. Quintero-Moore showed the world his extraordinary range as an actor, and demonstrated his ability to improvise on the spot. With Terry's charismatic personality and unstoppable talent, he is definitely on his way to being recognized as a trailblazer whose acting skills will pave the way to sure success.

Mr. Quintero-Moore's talents are not simply limited to the craft of acting. He is also a fashion model who has made runway appearances, and whose head-turning good looks have been captured on the pages of social media and in print. Beneath the debonair persona of this fine thespian who attracts compliments from women of all nationalities, is the heart of a gentleman with a humble demeanor who is loved and admired by family, friends and fans alike. Despite his refined looks that could "stop traffic," he is unruffled by the attention he attracts and remains a firmly grounded professional.

Terry has been quoted as having said, "I am honored to be recognized by the public. I truly hope to bring change to my community, the youth, and college students and change the way actors are viewed to the world. I want to show the world you can write your own story in life and you can change your ending too. My grandmother saw my gifts and talent at an early age, as an actor in my childhood. She would volunteer my services as a child to act in the church programs and plays. I was obedient to her. Eventually I fell in love with acting and modeling."

Mr. Quintero-Moore hopes to become one of the world's greatest actors, and thus far in his

acting career, he has already landed his first leading role in the movie, "Rewind." He played the role of an extra in the movie, "Mc Canick" with actor David Morse, who has been nominated for an Emmy Award for his work in other films. Terry treasures the experience of working beside Morse and has said, "It was an honor to meet and talk to him. He is a great actor." Quintero-Moore appeared as an extra in the movie, "Creed." One of his very special moments as an actor was the opportunity to work with former W.W.E professional wrestler Gene Snitsky, in the movie "Darkshield. " Always on the go auditioning for that unique role that will give him his big break, Terry is devoted to both acting and modeling careers with equal passion.

Mr. Quintero-Moore has worked with Non-Profit organizations and entrepreneurs of small companies by contributing his acting talent and modeling skills to help them grow and reach their goals. His future career plans in the movie industry include working on a film project with producer Mr. Timothy Beal.

MizMacMarketing is extremely happy to welcome him aboard, and adding his name to our roster of talented and exceptional clients. Mr. Quintero-Moore is now available for interviews and bookings.
