*Author and Leukemia Victim Unveils Cancer Experience*

MIAMI, FL, USA, February 22, 2017 /EINPresswire.com/ -- [Derrick R. Harding](#) wrote of his struggle and journey as he tried to come to term with leukemia.

The book [Two Years Journey](#), the Rise from Leukemia and Aneurysm to the Opportunity of a Lifetime seeks to open its reader's eyes to healing and lifestyle issues.

With a touching commentary that would melt your heart, "Beloved, I wish above all things that you may prosper and be in health as your soul prospers," Harding wrote amidst his struggling emotions and thoughts throughout his journey.

The book portrays the painful experience endured by Harding, a book, filled with hope, help, overwhelming faith and inspiration that will traverse.

Harding's book goes beyond coping with cancer that embraces life with and without cancer, along with poignant, revealing and engagingly written thoughts. This book overflows with inspiration, giving a whole new perspective to how we face sickness.

While there are so many books published about leukemia and aneurysm, Harding's journey is chronicled with depth and honesty. His enduring spirit and faith in God taught him to survive and pass it on to bring hope to others.

*Two Years Journey*, the Rise from Leukemia and Aneurysm to the Opportunity of a Lifetime has been included in the category list of books: Education, Entertainment, Health & Fitness, Healing, Religion, and Medical. It is available for sale via Amazon, Barnes, and Noble, Xlibris.

About the Author:

Jamaican educator Derrick Harding documents his battle with leukemia in his short, direct, and occasionally poetic memoir, *Two Years Journey*. This is an informative account of illness, recovery, and faith.

The book begins with a prophetic moment in Harding's church that led to a diagnosis of a bone marrow disease and eventually leukemia. Nine chapters follow the author through his treatment, including chemotherapy, a stem-cell transplant from his brother, and an unfortunate fall in the hospital that caused further medical complications.

Besides detailing the author's physical and medical ordeal, the book captures his psychological
