

Adventure Book from the Past to the Distant Future, a Discovery to Then and When

Adventure Book from the Past to the Distant Future, a Discovery to Then and When

PERTH-ANDOVER, CA, USA, February 24, 2017 /EINPresswire.com/ -- The book "[Parallax Sojourn](#)" and "[The Far Reaches](#)" are two powerful optimistic books by [Larry Kennedy](#). Both books take readers on a journey to the distant future and past as well as exploring the space all alone.

This science fiction novel allows readers an experience to journey and explores where we are heading, who we are in the past and how we can get there, how we can get away from it, in the broadest possible sense.

The book challenges readers to embrace the opportunities of the new world and to make intelligent choices for a better future.

The author encourages its readers to enjoy the books and not to have inhibitions to be able to expand one's horizons. Traveling with the crudest to the most advanced means of transport.

In "Parallax Sojourn", stories are set from the past to the distant future, reaching as far as the ocean to the galaxies. This book allows readers to choose their adventures and experience the moment as well as be amazed by the stories.

"Far reaches" follows the story of a lone spacecraft and finds a derelict space vessel while uncovering a mystery aboard the spacecraft, after the Earth's destruction. The book will traverse readers to far-reaching consequences that boggle the mind and engage on an investigation why it was abandoned. Kennedy came up with some indelibly strange images to allow readers to set foot on the journey themselves.

The books are available for download with iBooks on your Mac or iOS device, and with iTunes on your computer. Books can be read with iBooks on your Mac or iOS device.

About the Author:

Larry Kennedy is a politician in the province of New Brunswick, Canada. Kennedy studied at the University of New Brunswick in Fredericton where he earned a Bachelor of Science before going on to earn his Doctor of Medicine degree from Dalhousie University in Halifax, Nova Scotia.

Kennedy served as a village councillor for Perth-Andover and was chairman of the District 31 School Board. A practising physician in his hometown area, he was chief and president of the medical staff at Hotel-Dieu Saint-Joseph, and a director of the New Brunswick Medical Society.

He was elected to the Legislative Assembly of New Brunswick in 1987 and re-elected in 1991, 1995, a 1997 by-election, 1999, 2003 and 2006. He was currently Dean of the House from 2006 to 2010.

Parallax Sojourn and The Far Reaches

He represented the electoral district of Victoria-Tobique until his defeat in the 2010 election and also practices medicine as a family physician.
