

NMS Capital Group Launches Real Estate Private Equity and Advisory Business Unit – NMS Capital Realty Advisors, LLC

BEVERLY HILLS, CALIFORNIA, UNITED STATES, February 25, 2017 /EINPresswire.com/ -- NMS Capital Group, a global focused investment and private equity firm today announced that it has formerly launched a new real estate investment and advisory firm called, NMS Capital Realty Advisors (NMSRA).

NMSRA shall focus on providing direct and indirect financing solutions for construction, senior secured and mezzanine loans to clients and advisory solutions related to real estate sales, recapitalization and restructuring needs across the hospitality, multi-family, office, retail and commercial property sectors throughout the United States.

Trevor M. Saliba, Chairman/CEO of NMS Capital Group said “We are very excited about this new venture. We see the NMS Capital Realty Advisory business launch as a perfect complement to our existing portfolio businesses, chief among them is a complement to our financial services portfolio companies who already have a significant track record in the real estate sector. Formalizing a dedicated real estate private equity, investment and advisory business division was a natural progression”.

NMSRA further announced that it is in final stages with completing the appointment of new team hires and an institutional funding commitment that will enable it to provide direct lending solutions to clients.
