

Gowise Air Fryer

Are you planning to buy Gowise Air Fryer for your kitchen How about reading our complete review first Know about the pros, cons and features now!

PALM BEACH GARDENS, FL, UNITED STATES, February 26, 2017 /EINPresswire.com/ -- [Gowise Air Fryer](#) electric air fryer is a second generation model of air fryers of GoWise. This air fryer is nicely equipped with a carry handle and with a detachable basket. Like the other GoWise air fryers his air fryer will also allow you to enjoy your food with no oil or no extra added calories.

This air fryer features Temperature and Timer control. Gowise Air Fryer has two different knobs for Time and Temperature.

This fryer has many other features, but it gets its popularity mainly because of the detachable basket from the Frying chamber.

Temperature ranges from 175 degree- 92 degrees. All of these make very easy to use this air fryer. Undoubtedly, the GoWISE USA GW22622 second generation is a low-fat air fryer that offers you a healthier way of cooking rather than deep frying. Now in this review, we will discuss some of the best features of this air fryer.

Gowise Air Fryer Review

Rapid Air Circulation System

GoWISE USA GW22622 electric air fryer system makes use of the rapid air circulation system. This system circulates the air at high speed from all directions while cooking the food.

There is a fan which blows the hot air all around the food. This system makes sure that the food is evenly cooked from all the side.

Alternative of Deep Frying

Gowise Air Fryer offers one to fry chicken, French fries, onion rings etc. in a very different way than deep frying.

However, this air fryer is not entirely greaseless. GoWISE USA GW22622 needs one tablespoon of oil

to fry anything nicely. But if you are cooking precooked frozen snacks then you can go totally oil free.
Safety

Gowise Air Fryer comes with all the safety features. For example, it has a stay cool handle which won't heat up during the cooking process.

Moreover, it is designed with a switch and automatic standby mode. This feature allows the air fryer to turn off automatically once the frying is done. One doesn't need to worry about overcooking while using it.

Lastly, all the GoWise air fryers are ETL certified. This ETL mark proved that the air fryers are totally safe products according to the North American safety standards.

Detachable Basket

GoWISE USA GW22622 air fryer has a detachable basket which will make the serving part very easy or you. One can just detach the basket from the fryer and then serve the snacks. This removable basket also helps you to clean the air fryer.

Negative Sides

- For the frozen foods this air fryer is the best option. However, sometimes homemade foods face a little difficulty to fry in this air fryer.
- You don't have any color option.
- There is no viewing window from where you can time to time check the food.

Final Words

GoWISE USA GW22622 air fryer makes it's identity with many cool features at a very reasonable price.

If you want to have a healthy life, then we will surely recommend you to for this air fryer. This air fryer has received many positive reviews on Amazon. Gowise Air Fryer is an air fryer that your kitchen must have. You won't regret after buying this air fryer.
