

Affordable Dental Implants Are Available to Lehigh Valley Residents

Affordable Dental Solutions now offers dental implants starting at only \$2,000 from its newest location in Easton.

EASTON, PENNSYLVANIA, UNITED STATES, March 15, 2017

/EINPresswire.com/ -- For Lehigh Valley residents with damaged or missing teeth, Affordable Dental Solutions (ADS) offers [affordable dental implants](#) in its new Easton location.

Starting at only \$2,000, a price that includes the abutment and crown, dental implants from ADS are an affordable and seamless solution to missing teeth. During a dental implant procedure, a prosthetic implant is placed into the jaw bone. In time, the bone integrates with the implant. The abutment and crown are later added to deliver a natural, finished look.

Affordable dental services are nearby for residents of Wilmington

“Dental implants are so popular because they feel and function similarly your natural teeth,” explains Dr. Michelle Bernreuther, a graduate of the renowned Misch International Implant Institute. She’s been helping patients at ADS reclaim their smiles since 2011.

“

Dental implants are so popular because they feel and function similarly your natural teeth.”

Dr. Michelle Bernreuther

With four offices throughout Eastern Pennsylvania, ADS has helped thousands of patients achieve fuller, healthier, and more beautiful smiles. The immense satisfaction these patients have with the quality care they’ve received has enabled ADS to expand its practice and offer its affordable services to more residents throughout the area.
