

Full Dentures Are Available in the Philadelphia Area for Only \$495 per Arch

Affordable Dental Solutions in Exton makes dentures affordable for Philadelphia-area residents.

EXTON, PENNSYLVANIA, UNITED STATES, March 2, 2017 /EINPresswire.com/ -- Affordable Dental Solutions (ADS) has long taken pride in its ability to provide affordable, quality dental treatments to patients throughout Eastern Pennsylvania. Now it has brought its affordable custom dentures and other missing tooth solutions to the Philadelphia area.

ADS in Exton, less than an hour outside of the city, provides [full dentures](#) for only \$495 per arch and partial dentures for only \$595 per arch. This low cost is a fraction of the price other dental offices in the area may charge for a similar treatment. At ADS, they want their patients to know that low cost does not mean low quality.

“We can keep our prices low because we negotiate deals with the nation’s top manufacturers,” explains Dr. Andrew Branton.

ADS also relies on state-of-the-art technology and has a team of dentists dedicated to staying up to date with the industry’s latest advancements. As a result, patients are always guaranteed an efficient treatment and individualized care. In addition, even if Philadelphia-area residents did not obtain their dentures from ADS, they can find all of their relines and repair needs at the office in Exton.
