

Robbins Instruments All Set to Display at the 2017 AAD Annual Meeting

American Academy of Dermatology (AAD) Annual meeting is one of the most prestigious dermatology events that take place every year.

CHATHAM, NJ, USA, February 27, 2017 /EINPresswire.com/ -- Robbins Instruments, a leading online supplier of medical instruments, has announced their participation in the upcoming [2017 AAD Annual Meeting](#), to be held at Orange County Convention Center – West Building, Orlando, FL., from March 3 to March 5, 2017.

As a commitment to quality healthcare, the company will be showcasing their best-seller dermatology products at booth number 1304. The company would be displaying their products for three days, and the details are as follows:

- March 3, 2017 - Friday - 10:00 AM – 5:00 PM
- March 4, 2017 - Saturday - 10:00 AM – 5:00 PM
- March 5, 2017 - Sunday - 10:00 AM – 3:00 PM

The products to be showcased at AAD 2017 are the following:

1. 10S Dermaplaning Blades: 10S dermaplaning blades help remove the layer of vellus hair, and dead skin cells from the outermost layer of the skin.
2. Disposable Curettes: These are used for removing warts, as well as basal cell carcinomas.
3. True-Cut Disposable Biopsy Punches: These tools are of great help in biopsy procedures. They feature sharp cutting edges and are known for their versatility.
4. Magnifiers-Glasses: Also, on the display would be headband magnifiers and glasses that come with 4-5 interchangeable lenses. These also come with or without LED lights and the lighting angle can be adjusted as per the requirement.
5. DERMO-JET Model G Needleless High Pressure Injector: This is a special instrument that allows infiltration without requiring a needle. The DERMO-JET Model G Needleless High Pressure Injector is widely used in a number of medical procedures for painless infiltration.

Visitors can avail the aforementioned products at attractive discounted prices (exclusively for the event). For more information about the event, contact info@robbinsinstruments.com or [click here](#).

About AAD 2017

American Academy of Dermatology (AAD) is arranging an annual meet this year in the month of March. This annual meet will see over 400 exhibitors displaying their best and latest dermatology products and services on their booths. The event will host around 375 sessions in 10 tracks. The attendees will get a chance to meet several dermatology experts. The annual meeting makes several networking opportunities open for those attending the event.

Robbins Instruments bring you the highest quality medical instruments and supplies at competitive prices.
