

# A Fast New Way to Exchange your Contact Info, It's Flikit

*Time to say bye bye to the traditional business cards, Flikit business card alternative is the world's best and most flexible business card option available.*

BRIGHTON, BN1 1BN, UNITED KINGDOM, February 28, 2017 /EINPresswire.com/ -- Meet someone, exchange contact details and connect on social media in an instant with Flikit. Out now on the Appstore and Google Play.

Use the QR code scanner in the app to exchange instantly, or share your selected information with anyone, even non-user via SMS or email.

For A Fast New Way to Exchange your Contact Info and Share Social Media Profiles, It's Flikit

At Brighton, UK – Flik-it Ltd, we are happy to announce the launch date of the world's best [business](#) card alternative app. We are officially launching late March for both Appstore and Google Play. This has been after many weeks of feedback cycles, and improvements gained from the Flikit Network.

The app is now available to download on both The App Store and Play Store. The app has been developed by a talented team at Flikit. It brings some cutting-edge technology to exchange contacts and share social media profiles including Facebook, Twitter, Instagram, LinkedIn, Skype to name a few via a simple scan, SMS or email.

"We are excited to launch our business card alternative app, Flikit is a revolutionary app to change the way you exchange your contact information and save time, money and the planet", said Bradley Tayne, CEO of Flik-it LTD.

Here is the feedback of some of our existing customers:

\_ Such a great idea and it makes it so easy to send people all your contact and social media information – Lucky Luke

\_ What a brilliant app for networking, use it to share professional and personal information in a few easy steps, excellent! – Becky Terry

\_ This is going to come in very handy when connecting with new friends and connections alike. – Stuart Gray

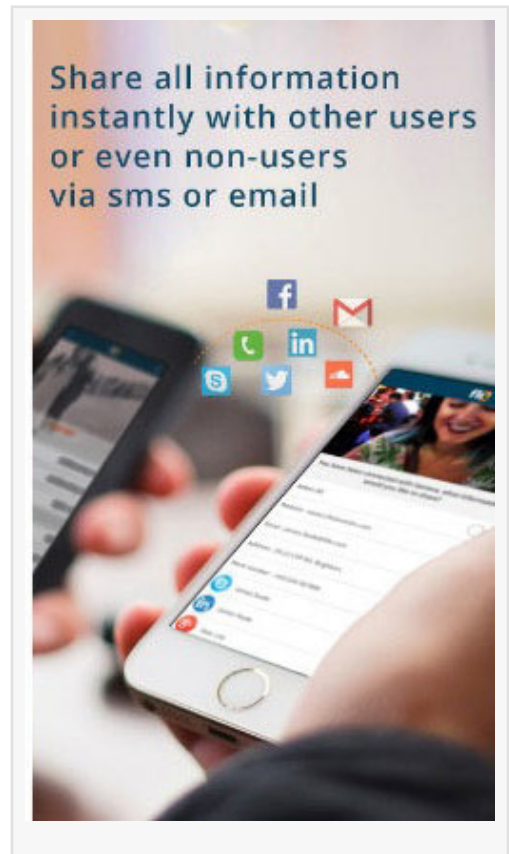

Flikit is available to download for free on both stores now:

Google Play: <http://bit.ly/flik-it>

Apple Store: <http://apple.co/2kWP0Gh>

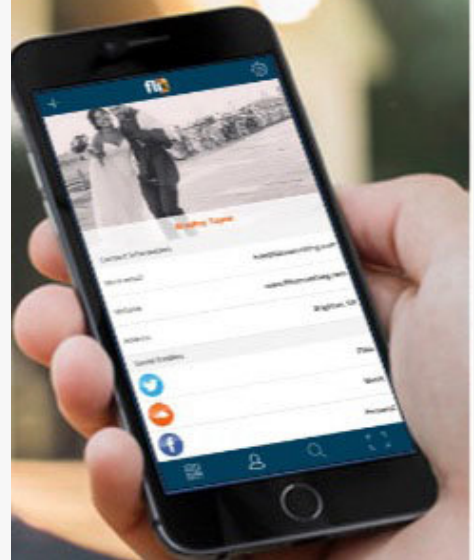

About:
