

eZassi Names Jennifer Creech as Chief Executive Officer

Proven software leader joins company to enable next level of growth.

JACKSONVILLE, FL, US, February 28, 2017 /EINPresswire.com/ -- eZassi announces that [Jennifer Creech](#) has joined the company as Chief Executive Officer, effective January 4th. In her new role, Jennifer will be responsible for the launch of the next iteration of the Company's innovation management software platform, as well as overseeing all aspects of the Company's global expansion effort.

Ms. Creech brings to eZassi more than 15 years of C-Level management experience with expertise in: SaaS and cloud technology solutions, data mining and driving year-over-year double digit revenue growth at the companies she has helped to build. Prior to joining eZassi, Creech was the CEO and President of InHouse, Inc., where she conceptualized and led the development of an award winning, cloud- based appraisal management software platform. Based on her leadership skills, the growth of the business and market success of InHouse's commercial appraisal technology, she was awarded the 2015 Women of Influence by [HousingWire](#). In addition to InHouse, Creech has also held executive positions with DeepGreen Financial, Global Title Services, RBC Bank and Washington Mutual.

“

She is a proven leader whose broad experience in the software space will allow us to better serve our customers and to take our open innovation solutions to the global marketplace.”

Bill Wolf, Chairman of the Board

“I am extremely pleased to welcome Jennifer to eZassi; she is a proven leader whose broad experience in the software space will allow us to better serve our customers and to take our open innovation solutions to the global marketplace,” said Bill Wolf, Chairman of the Board.

eZassi Technology to Innovate Faster
