PALM BEACH GARDENS, FL, UNITED STATES, February 28, 2017

/EINPresswire.com/ -- On Saturday March 4th, 2017, there will be multiple "[Spirit of America Rallies](#)", and "March for Trump" rallies, being held across the country. The events are generally being heralded as Pro-Trump rallies, intended to unite and counter the divisional protest marches being held in opposition to our current President.

Spirit of America Rallies

Everett Wilkinson, Chair of the [National Liberty Federation](#), "We strongly support President Trump in his effort to put America first and we are holding small rallies to show support for President Trump's policies. In the last election, there was a spontaneous uprising of grassroots activists that voted for President Trump to find a way to let people know that we support his agenda."

Unlike those protesting against President Trump's vision, these rallies are a diverse coalition that are the heart and soul of America that wants our nation to fulfill our potential, as the greatest nation on God's green earth!

The Spirit of America Rallies will be positive, patriotic, uplifting, and open to anyone that supports an America First agenda.

Rallies across the nation will take place on February 27th at 12:00 pm and March 4th. We expect many more states holding rallies will be added, so check back in a few days, when we will begin to list the locations.

Please go to "Spirit of America Rallies List" for more information and updates.
