FOR IMMEDIATE RELEASE

LOS ANGELES, CALIFORNIA, UNITED STATES OF AMERICA, March 1, 2017 /EINPresswire.com/ -- Boxx Communications has signed an agreement to work together to develop a reality-based political dating show with David Goss, CEO of Trumpsingles.com - a very fast growing dating website.

With the country at such a polarized position at the moment, the show is a social experiment that will explore whether or not our differences are as great as our current politics might suggest. Can love be found across the political aisle?

Mark Walker: "We would love to create a show that can show different people's positions and possibly bring them together."

David Goss: "I started Trumpsingles.com because of the divide in our country, and as this divide grows further everyday we want to see if we can help bring people back together."
