

Investor Bitcoin Investment Plans guarantees zero losses

CORNING, NY, USA, March 6, 2017 /EINPresswire.com/ -- Investor Bitcoin www.InvestorBitcoin.com received an influx of investment capital this past February to the tune of nearly four million dollars. How the company plans on using it should excite its members and inspire others to join one of its three investment plans.

Expecting even more capital to flow into the company in the months ahead, the bitcoin investment firm offers members 100% investment guarantee, despite any fluctuation losses in the market. Its own capital will be utilized to cover any market losses, preventing its member's bitcoin investment plans from experiencing any harm. Company spokesmen say it is a necessary step in providing its members extra security, while offering a higher level of customer service.

Investor Bitcoin expands and diversifies holdings to increase company solvency. The company will also utilize its newly earned assets to expand and diversify its holdings. Its team of financial experts have already begun reinvesting in a wide range of market investment assets including: stocks, bonds, futures, currencies, precious metals, oil trading, and others.

Strengthening the company's overall financial profile is a goal that company spokesmen say will increase member confidence. Spokesmen also say it will expand bitcoin investment opportunities for everyone, and add more security for its members. Recently, bitcoin surpassed gold in value for the first time in its existence. It is market changes like this that the company says it can respond to with an established and well-rounded investment strategy that it will employ.

Three investment plans lead to big profits. The bitcoin investment company offers three bitcoin investment plans that are currently providing unprecedented returns on investments. The three levels of plans enable members the opportunity to earn significant profits by investing in bitcoins. The company's three different investment plans include the following:

Start Plan: 0.2 BTC 15 days with 200% return

Deluxe Plan: 1 BTC 10 days with 220% return

VIP Plan: 5 BTC 7 days with 250% return

There are no hidden fees involved and member's funds are insured. Profits are guaranteed, which are transferred instantly into member's bitcoin wallets. The three different sized plans represent budgets that the company believes captures most income levels, allowing for bitcoin investment opportunities for almost anyone.

An Affiliate Program offered by Investor Bitcoin further increases member's profit making opportunities. All members qualify and to benefit, all members must do is to save their bitcoin wallet address and link it to an InvestorBitcoin referral URL. That URL can be shared on member's social media accounts and other online platforms, and if that URL leads to a new Investor Bitcoin member, the company will reward them with a 10% payment of the amount of the new investment.
