

centertec Opens SummerTEC: Summer Camp Starting June 12, 2017

centertec opens SummerTEC - summer camp to learn computer coding.

LANGHORNE, PENNSYLVANIA, UNITED STATES, March 7, 2017 /EINPresswire.com/ -- Philadelphia PA, Thursday, March 7, 2017: [centertec](#), (www.centertec.com) the world's first and largest virtual reality entertainment and social center is proud to announce SummerTEC Summer Camp. centertec, located at the Oxford Valley Mall in Langhorne PA, is the first virtual reality (VR) social center that offers [computer learning classes](#) for grades 3 through 8 starting June 12, 2017.

“Learning to program computers is the basic literacy in our digital age,” said Daniel Taylor, co-founder of centertec. “Kids today are growing up in a completely different world than their parents; with smartphones, YouTube, MineCraft, Instagram and even programmable toys as part of their daily life. It’s one thing to use all of that technology, but it’s more important to understand the programming behind everything and bring their ideas to life.”

centertec changes everything, again. centertec, only in its fourth month of operation, is sold out all the time with VR parties. centertec is truly a center of technology for people of all ages, sizes and incomes, and now it is a center for learning technologies.

“Our dependency on technology will only increase; it’s not going away,” says Bill Tustin, CEO of centertec. “Programming doesn’t have to be hard to learn, and our SummerTEC Summer Camp classes will give kids the confidence and abilities needed to be active in our digital world of today and tomorrow.”

centertec offers custom [birthday party](#) packages, as seen here: <http://centertec.com/index.php/videos/video/18-birthday-party-video>

Reservations for centertec are encouraged and are available for \$30 per person per hour.
