

ANALYSTS INTERNATIONAL CORPORATION WINS INAVERO'S 2017 BEST OF STAFFING® CLIENT DIAMOND AWARD

Diamond Award winners have won the Best of Staffing Award for at least 5 years in a row, consistently earning industry-leading satisfaction scores.

ATLANTA, GEORGIA, UNITED STATES, March 6, 2017 /EINPresswire.com/ -- Analysts International Corporation, (part of ACS Group), a leading staffing firm specializing in the IT, Engineering, and Finance industries, announced today they have earned Inavero's Best of Staffing® Client Diamond Award which is awarded to companies winning the Best of Staffing Client Award at least five years in a row for providing superior service to their clients. Presented in partnership with CareerBuilder, Inavero's Best of Staffing Client Diamond winners have proven to be industry leaders in service quality based completely on the ratings given to them by their clients. On average, clients of winning agencies are 2.6 times more likely to be completely satisfied with the services provided compared to those working with non-winning agencies.

Focused on helping US companies find the right people for their job openings, Analysts International Corporation received satisfaction scores of 9 or 10 out of 10 from 68% of their clients, significantly higher than the industry's average of 29%. With fewer than 2% of all staffing agencies in U.S. and Canada earning the Best of Staffing Award, just 23% of the 2017 Best of Staffing winners earned the Diamond Award distinction. The winners of this award truly stand out for exceeding client expectations.

Inavero, a third party market research firm, utilizes the Net Promoter methodology to determine Best of Staffing Award recipients. Net Promoter is a simple metric based on a question that asks how likely a person is to recommend this company to a friend or colleague using a numeric scale of 0-10, ten being extremely likely and zero being not at all likely.

"Exceptional client service has been the hallmark of Analysts International's business for over 50 years," said Raj Sardana, Chief Executive Officer for ACS Group, Analysts International Corporation's parent company. "This is the second year in a row that we have won the Diamond Award, and we are proud and honored to carry on this great tradition of service and to be recognized for our efforts in this way. This is a strong testament to the work of our employees and their commitment and dedication to serving our clients," added Sardana.

"Staffing firms are giving top companies a competitive advantage as they search for talent in North America," said Inavero's CEO Eric Gregg. "The 2017 Best of Staffing winners have achieved exceptionally high levels of satisfaction, and I'm proud to feature them on BestofStaffing.com."

About Analysts International Corporation

Analysts International Corporation operates as two separate workforce solution segments: AIC and Analysts. AIC is a talent solutions firm that provides highly-skilled Information Technology (IT), Engineering, and Finance professionals to clients nationwide.
